

Dor Yang Precision Instruments(Shanghai) Co., Ltd

Name	Description	Picture	Remark
Spectrometer	Genius 3000 Handheld XRF Spectrometer		Used for heavy metal ,RHOS Test
	Genius 5000 Handheld XRF Spectrometer		Used for metal ,alloy ,steel analyze
	Genius 7000 Handheld XRF Spectrometer		Used for mining, Ore analyze
	Genius9000 Handheld XRF Spectrometer		Used for Soil analyze
Spectrophotometer	UV Single beam		it can scan the range of: the wavelength about rate, absorbance and energy, and can perform various data processing such as peak and valley detection, derivative operation, spectral graph operations.
	UV double beam		
Gold Analyze Instrument	EDX spectrometer		It can test the precious metal elements from (K)potassium to uranium (U)
Optical Emission Spectrometer	<p>Analysis band wavelength range: 140~800nm</p> <p>Machine engraved concave grating: Curvature radius of 750mm</p> <p>Depicts the density: 1667/mm</p> <p>Incidence angle: 35 degrees</p> <p>Allows a maximum of channels: 24</p>		used in material analysis of various industries, such as iron and steel, non-ferrous metal, metallurgy, machinery, chemical equipment, quality inspection system and so on
Liquid Chromatogram-Mass Spectrometer	Its performance meets the requirement of national standards for LCMS and for determination of chemicals in food and environment		

<p>Gas Chromatograph-Mass Spectrometer</p>	<p>1. Food Safety Analysis: Drinking water, Milk, Liquor, food, hygiene and disease control analysis/inspection, etc. 2. Semiconductor Industries: high pure metals, high pure reagents, ultra traced impurities of Si chips, photoresists, etc. 3. Pharmaceutical and Physiological Analysis: Medical research and quality control 4. Industry: EU Reach directive for chemical compounds in different materials</p>		
<p>Hardness Tester</p>	<p>Rockwell hardness tester Vickers hardness tester Brinell hardness tester Tablets/Pellets tester Share A,C ,D hardness tester Fruits Hardness tester</p>		<p>Supply all kinds hardness tester</p>
<p>Universal Testing Machine</p>	<p>Charpy Impact Testing Machine Display Type Hydraulic Universal Testing Machine Automatic Spring Tension And Compression Testing Machine</p>		<p>Supply all kinds of universal testing machine</p>
<p>Thickness Gauge</p>	<p>Thickness Gauge instruments</p>		<p>Supply all kinds of Thickness Gauge instruments and Ultrasonic thickness gauge instruments</p>
<p>Metal Detector</p>	<p>All kinds of metal detector</p>		<p>Supply all kinds of metal detector about different height depth</p>
<p>Ultrasonic Flaw Detector</p>	<p>All kinds of Ultrasonic Flaw Detector</p>		<p>Supply all kinds of Ultrasonic Flaw Detector</p>

<p>Video Measuring Machine</p>	<p>All kinds of video measuring machine</p>		<p>Supply All kinds of video measuring machine</p>
<p>Coordinate Measuring Machine</p>	<p>All kinds of Coordinate Measuring Machine</p>		<p>Supply all kinds of Coordinate Measuring Machine</p>
<p>Microscope</p>	<p>All kinds of microscopes</p>		<p>Supply all kinds of microscopes</p>
<p>Water Quality Instruments</p>	<p>PH Meter Conductivity Meter Dissolved Oxygen Meter Hydrazine Analyzer Phosphate Analyzer Fluorine Ion meter Acid/Alkali Concentration Meter Online Ammonia monitor ORP Meter Turbidity Meter COD Zirconia Oxygen Analyzer BOD</p>		<p>Supply all kinds of Water Quality Instruments</p>
<p>Agrometeorological Instruments</p>	<p>Vacuum Seed Counting and Placing Apparatus Soil Hardness Tester Handheld Agricultural Weather Monitor Soil Compaction Meter Amylose Tester Plant Chlorophyll Meter Grain Moisture Meter Digital Soil Water Potential Meter Cooking Oil Tester</p>		<p>Supply all kind of Agrometeorological Instruments</p>

Lab and Environment Instruments	Automatic Melting Point Apparatus	 	Supply all kinds of Lab and Environment Instruments
	Automatic Titrator		
	Microwave Reaction System		
	Auto Kjeldahl Distiller		
	Fat Analyzer		
	Graphite Digester		
	Refrigerated and Heating Circulator		
	Recirculating Chiller FC1200		
	Sample Concentrator		
	Automatic Polarimeter Perfect Polarimeters		
	Digital Disintegration Tester		
	Dissolution Tester
